This is in response to the Final Rejection of August 25, 1982. Please amend the application as follows:

In the Abstract:

Page 1, before line 1 and the term "October 31, 1980", please insert --- and now abandoned ---.

Page 1, line 3, after the word "malaria", delete ",," and in its place insert --- and ---.

Page 1, line 4, delete ", psoriasis and tumors".

In the Specification:

Page 9, delete fourth complete paragraph

"The compounds of this invention are also useful in treating neoplasms and psoriasis in mammals. While the compositions may be formulated in the same manner that antimalarial compositions are used, the preferred route of administration is the parenteral route, especially intravenously.
